Vote YES & YES to
Save Shadow Pines
& the Clark House

- ➔ Preserving open space maintains Penfield's high quality of life.
- ➔ It's cheaper to keep it! Tax revenue doesn't cover school costs.
- ➔ If this land gets developed, it's gone forever – and hello traffic!
- ➔ It's unsafe to allow so many new homes so close to a quarry.

You must vote YES on BOTH Shadow Pines
and the Clark House for either to pass!
